Stone Will Surface
New Concord Road

N. E. Stone & Co., Madison-
ville, was awarded the contract
yesterday by the state highway
department for graveling the
4.6 miles of road, extending from
Murray toward New Concord to
a short distance west of Cherry.

The contract price is \$8,975.50.
Stone just last week completed
the graveling of the Hazel road.

The bridge work at the Paris
bridge, just south of town is
nearing completion and the grade
and drain on this project is al-
ready finished. Stone expects to
do this graveling within a week
or so.

O. L. COLE RELEASED
HERE THIS MORNING

O. L. Cole, of Harris Grove,
was released here this morning
on a \$500 bond on a charge of
selling stolen property. Cole was
released at Mayfield Monday
on \$500 bond on a charge of break-
ing into the J. A. Parks garage
and stealing about thirteen auto-
mobile and truck tires. Cole is in
a joint charge with Bill McCall
in the theft charge. He will
await the action of the court.

Go Vote!

Next Tuesday is general
election day. You owe it to
yourself and your state to go
vote.

It doesn't matter so much
which way you vote as it does
that you register your choice
for whichever ticket you be-
lieve deserves your support.

Go to the polls and go
early. And ask your neighbor
to go with you.

MANY HERE MOURN
FOR REV. PICKENSFormer Murray Pastor, Presiding
Elder, Died Saturday Night
at Humboldt

The Rev. J. M. Pickens, pastor
of the Murray Methodist church
from the fall of 1913 to the fall
of 1915 and one of the deepest
beloved ministers ever to serve
a Murray congregation, died last
Saturday night at his home in
Humboldt.

Five members of Murray
church attended the funeral ser-
vices which were conducted at
the Hollywood Cemetery, Jack-
son, Tenn., Monday afternoon at
two o'clock. These were Mrs.
W. W. McElrath, Mrs. Vernon
Stubbs, Mrs. E. A. Tucker,
Mrs. Joe T. Parker and Mrs. M.
L. Whitfield. Brother Pickens
had been ill several days and
death was not unexpected.

The Reverend Pickens was
loved and admired by members
of all congregations in Humboldt
and an overflowing crowd each-
ered to pay the last tributes of
respect over the remains. There
were practically a hundred min-
isters present at the services for
their departed brother.

The services were conducted
by the Rev. Eugene M. Mathis,
presiding elder of the Brown-
sville district, and the Rev. J. W.
Blair, former presiding elder
of the Jackson district. Bishop
B. M. Duhose also participated
in the service as did the Rev.
People's and the deceased's
brother, Rev. W. P. Pickens, who
gave a brief statement. The floral
offerings were many and beauti-
ful.

The Reverend Pickens was 67
years old and was admitted to the
Memphis Annual Conference on
November 12, 1890. He served
as presiding elder of the Jack-
son district for many years.
Surviving him are his widow;
a daughter, Mrs. F. E. McReyn-
olds, who was married to the then
principal of Murray High school
during her residence in Murray,
and two grand children, John
and Martha Ann McReynolds.

The Rev. Pickens was appoint-
ed pastor of the Humboldt
Methodist church at the 1930 an-
nual conference.

Speaking Friday at
Paschal Is Booked

A prominent Democratic speaker,
probably from without the coun-
ty, will address the voters at
Paschal school house Friday
night. County Chairman R. H.
Hood has announced.

Mr. Hood said that through
an inadvertence in making out
the original list, Paschal was in-
tentionally omitted.

All the voters of this vicinity
are urged to come out to this
important speaking.

The time to choose a Governor
is coming very soon.
Louisville may want Harrison.
But Kentucky needs Laffoon.

Dickey Says

County Agent, C. O. Dickey
and Sadie Wilkus, home demon-
stration agent, announce that the
achievement day will be held at
the courthouse in Murray, Sat-
urday, November 21st. Each of the
350 club members of the county
who have completed their work
will be given their state compen-
dium. At this time all
awards for the best work of the
year will be given.

Each 4-H club member of the
county is requested to have his
record book turned in to the
county or home agents office by
November 14th. This can be
done by mailing it in direct or
turning it over to the secretary
of the local club. All club sec-
retary books must be turned in
at this time also.

H. H. Bailey is giving a silver
loving cup to the community
club that scores the highest num-
ber of points per member for the
year. The first community club
winning the cup three times gets
it as permanent property.

The Crawford-Gatlin store of
Murray in cooperation with the
Dixie Poultry Journal is giving
a wrist watch to the champion

The American Jersey Cattle
club is giving badges to the three
best dairy calf club members of
the county.

If your record book is not
turned in by the 14th of Novem-
ber, you are not eligible for
any of these prizes. Remember
your attendance at Rally Day
counts on the year score.

This meeting will be for the
club members who are carrying
projects including clothing, can-
ning, poultry, hogs, Jersey heifer,
corn, potatoes, and tobacco.

Parker Brothers have ar-
ranged an interesting musical
entertainment for their formal
opening here Saturday. They
will be open for public inspection
and approval during the entire
day and into the night. The sales
room will be decorated in the
Halloween atmosphere. Here
they will serve coffee and various
of their delicacies to the visiting
public.

They have arranged to have
string music, piano solos of po-
pular music and other musical en-
tertainment. The purpose of the
entertainment and opening is to
acquaint the public with the fa-
cilities and the care with which
their baking is done.

They are especially interested
in the public making observations
of the plant noting the cleanli-
ness, the lighting and ventila-
tion facilities and other means
that they use to guarantee only
the purest of food. Their
plant is in white suggestive of
care and cleanliness everywhere.

Winners at Concord

Winner in Culinary division—
Stone, with 7 blue ribbons.

New Concord school was
awarded most blue ribbons in
two departments but did not com-
pete for prizes.

The program was a success
from every standpoint. Exhibits
were especially good in the school
department and needle work de-
partment.

Legion Will Select
Officers November 5

The Calloway County Post of
the American Legion will meet
at the court house Thursday
night, November 5, for the pur-
pose of electing officers for the
coming year.

Commander George S. Hart
has sent out an urgent call for
all members of the Legion to at-
tend and take part in this elec-
tion. All former service men are
invited to attend the meeting
though only Legions will
have the right to ballot.

The Calloway county post is
celebrating one of the most suc-
cessful years in its history. The
membership has been phenom-
enally increased the past two years
and during this time the post
has won two state cups for lead-
ing in its classification.

RECEIVING VAULT
DEBT IS RETIREDLast Note Burned at Club Meet-
ing Last Thursday, Mrs.
Graves' Plan

The beautiful vault in the city
cemetery is now completely paid
for. The last of the indebted-
ness was retired last week and
the last note was burned at the
meeting of the Magazine Club
last Thursday.

Credit for the idea of the re-
ceiving vault goes to the late
Mrs. Nannie Graves. The pro-
ject was sponsored and unwill-
ing by the Murray Magazine
Club, which has devoted time
and effort to raise money over
a period of years and has also
given generously of its own re-
sources, both the club and in-
dividual members.

Impetus for the final drive to
retire the debt was given by A.
R. "Uncle Almas" Beale, who
started the ball rolling with a
nice additional contribution and
who also aided in the solici-
tation for funds.

Those who took a leading part
in the note burnings Thursday
were Mrs. Leland Owen, presi-
dent of the Club when the pro-
ject was started; Mrs. R. T.
Wells, past president and now
chairman of the vault committee;
Mrs. W. J. Caplinger, present
president and Mrs. B. B. Keys,
who made the original motion
which started this project.

HOME LEADERS TO
MEET NOVEMBER 4Miss Ida Hagman, State Special-
ist, Will Be Headed at Court
House Here

Miss Ida Hagman, state special-
ist, will meet with the county
leaders of home improvement
here next Wednesday, November
4. The meeting will be in the
court room from 10 o'clock
until 3:00.

There will be two ladies from
each of the thirteen homeimprovement
clubs meeting with Miss Hagman.
This is one of a series of instruc-
tive meetings held by the home-
makers of the county.

The lesson for the meeting will
be "The Selection and the hanging
of Pictures in the Home." This is
the third lesson of the series.

Girl Scout News

The Girl Scouts will meet
every Tuesday at the high
school building under the direc-
tion of Mrs. John Burnham.

Two patrols have been organ-
ized, the Swastikas and the
Cardinals. One is under the
leadership of Lieutenant Zumbro
and the other under Lieuten-
ant Scott.

The scouts have planned a tea
in honor of their mothers at the
high school Tuesday afternoon,
November 3, at 2:30 o'clock.

Hazel Family Transports Flower Garden
110 Miles and Wins First Prize at Fair

Mr. and Mrs. C. D. Paschal
and family, who moved the first
of last July from Trenton, Tenn.,
to Hazel, had a beautiful flower
garden at the "Trenton home" which
they did not wish to lose.

So they transplanted the entire
garden a distance of 110 miles
with the loss of but two plants.

Despite the fact that the
weather at that time was right

SCHOOLS WILL

STATE SLATE TUESDAYBoth Sides Claim Victory;
Democrats Get First Col-
umn on Ballot

Next Tuesday is general elec-
tion day. In company with their
fellow citizens in the other 119
counties of Kentucky, Calloway
counties will go to the polls next
Tuesday to cast their ballots for
governor and all the state officers.
The governor chosen Tuesday will
take office Tuesday after the
first Monday in December while
the new state officials will as-
sume their duties the first of
1932.

By virtue of the victory of M.
M. Logan for U. S. senator last
year, the Democrats have won the
first column on the ballot. The
Republican emblem and candi-
dates will be in the second
column while the Socialist, etc.,
will follow.

In order to encourage voters to
turn out in unprecedented num-
bers in Calloway county, nice cash
prizes have been offered to all the
schools in the masterless district
showing the largest increase in
the total vote over the state elec-
tion of November, 1927.

This is a non-partisan effort as
the total vote will count. Dem-
ocrats and Republicans alike, men
and women, are being urged to
go to the polls and help the
county cash prize as well as
have a hand in selecting their
governor and state officers for the
coming four years.

Since the prizes are to be
awarded on the percentage of in-
crease instead of increase in num-
bers, every district in the county
has equal chance.

Each common graded school in
the winning district will receive
not less than \$10 in cash and the
high school in the winning dis-
trict will get \$20 in cash. There
is one high school in each magis-
terial district.

Democrats have been busy
speaking in almost every school
house the week and last, and
much interest is being shown in
the election.

With favorable weather it is
predicted that Calloway county
will poll one of the largest votes
in her history.

Last year, 3500 votes were pol-
led for Senator Logan in the
Democratic ticket and 700 for Mr.
Robison on the Republican ticket.

What a County Farmer
Has Done With Hogs

You hog raisers will have to
raise up a notch or so to catch
Herbert McCutcheon in the hog
business. He says that he has
a white sow, O. S. C. type, that
was 3 years old April 4 of this
year and has farrowed for him
six litters with a total of
seventy-five pigs. The last two
litters were of 17 and 15.

He has sold \$325.00 worth of
pigs and kept out two each year
for pork for use at home and
also kept for himself two guinea
pigs which will farrow the latter part
of December and has on hand
now ten pigs 8 weeks old which
can be registered by request.

Anyone who might be interest-
ed in good hogs is invited to
drive over to Kirksby and Her-
bert will be glad to show you
his hogs.

reduce their feed costs with no
loss in egg production.

MRS. RHODA PERRY BLACK DAMP HITS
DIES FRIDAY AT 84 WORKER IN WELLProminent Woman of South Part
of County Was Member of
Church 66 Years

Mrs. Rhoda Perry died at the
home of her son, Herbert Perry,
near Locust Grove, about 10
o'clock Friday morning. Aged
84 years. She was only sick a
few days. She was one of the
best known and loved ladies of
Calloway county, having lived in
this county nearly her entire
long life. She was a devout mem-
ber of the Locust Grove Mission-
ary Baptist Church which she
faithfully served for 66 years.

She is survived by one son,
Herbert, two daughters, Mrs.
Bernice Grogan, and Mrs. Geo.
Grogan; five grandsons, William
Herbert Mason and Clarence
Henry Perry; one granddaughter,
Mrs. Edna Darnell, one great
grandson, William Edward Perry,
and a very large circle of
nephews and nieces, together
with a wide circle of friends.

Burial took place in the Lo-
cust Grove cemetery, after fun-
eral services by her pastor, Bro.
L. V. Henson, assisted by Bro.
N. S. Castleberry, both of Ben-
ton.

Three Tennesseans
Arrested in Theft

Three men were arrested in
Paris, Tenn., yesterday on suspi-
cion in connection with the
stealing of 400 pounds of cot-
ton from W. H. Williams, farm-
er of the Southern part of the
county. The cotton was taken
Monday night of this week. Sur-
rounding towns were notified
and the men were apprehended
when they offered for sale a
similar amount at Paris Tues-
day.

County Children
Improve Health

The health habits and posture
of the county school children
have shown a marked improve-
ment this year, according to
County Health Nurse, Mrs. Mabel
F. Glasgow. Mrs. Glasgow states
that the health habits are bet-
ter than at any time in the last
four years. The students are be-
coming more health minded
through the aid of the parents
and teachers.

The teachers of the county
schools are very cooperative this
year according to the nurse. The
habits of health and the simple
requirements for health have
been stressed to bring about this
marked improvement.

Count Made of
Pooled Tobacco

W. H. Finney, chairman, and
Connie Dyer, secretary of the Or-
ganization committee of the To-
bacco Association of the Western
Dark Fired district, were busy at
the home office here Tuesday,
October 27, tabulating the
amount of tobacco pledged to the
Association by the different coun-
ties of this district to date.

The count runs well into the
millions, but is yet far below the
requirement to handle this prod-
uct. Another count will be made
on November 16 at which time
the management is supposed to
know whether enough tobacco
has been pledged to operate this
season.

GREAT CROWD
AT SPEAKINGS
HERE MONDAY2,500 Crowd Grows Loose
Floor to Hear Laffoon
and BarkleyNOMINEE SCORES HIS
REPUBLICAN FOEMANBarkley Reveals Harrison's
Expensive Record as
Mayor

Murray was the Mecca for the
Democracy of Calloway county
and Western Kentucky Monday.
A crowd estimated at 2,500 per-
sons filled the large Growers
Loose Leaf floor here to hear
Judge Ruby Laffoon, of Madison-
ville, Democratic nominee for
Governor, and Senator Alben W.
Barkley speak on the issues of
the campaign.

A number of prominent Demo-
crats from other West Kentucky
counties were here and sat on
the platform.

Judge Laffoon was introduced
by County Chairman and County
Attorney R. H. Hood.

The nominee made a great im-
pression on the voters and his
entire address was enthusiastically
received.

Judge Laffoon outlined his
plans for paying off the State
debt, lowering taxes, and giving
the State a "business-like" ad-
ministration. He attacked the
administration of Gov. Flem D.
Sampson, and called on the voters
of the First District not only to
support him for Governor, but to
elect a Legislature to help
carry out his program.

Then Senator Barkley
addressed the assembly.

The administration in Louis-
ville of Mayor William B. Harri-
son, the Republican nominee for
Governor, was assailed by Judge
Laffoon. The presence in West-
ern Kentucky of Governor Sam-
pson, making speeches for the Re-
publican ticket, was pointed to
by the Democratic nominee as an
indication that Mayor Harrison
endorses the Sampson administra-
tion.

Mr. Barkley was somewhat de-
layed as he had spoken at Eddy-
ville that morning. He got the
usual cordial welcome and close
attention that are always paid
him by local voters, with whom
he is extremely popular.

The present campaign was
termed by Senator Barkley "a
peculiar one, because it is the
only time in history that a Re-
publican nominee for Governor
can't be induced to mention the
name of the President or Govern-
ment." Mr. Harrison was re-
ferred to the ballot both blind,
deaf and dumb, and that's what
he is for him," Senator
Barkley asserted.

Calls Election a Verdict
"Why even Ed Morrow hasn't
mentioned Governor Sampson,"
Senator Barkley said, "but he
needn't be ashamed of Sampson,
for he was as good a Governor
as Sampson, and that's not saying
much for either of them."

In speaking of the National
Administration, Senator Barkley
asserted, "We are going to run-
der a verdict in November, not
only on the administration of
Flem D. Sampson but Hoover in
Washington." Senator Barkley
predicted a decrease from \$9,000
and 75,000 votes.

Senator Barkley charged under
the Harrison administration in
Louisville the "operating ex-
penses of the city were increased
during four years from \$2,000-
000 to \$10,000,000. Senator
Barkley charged that of \$80
members of the Louisville police
force, under civil service, \$29
are Republicans.

"I'm reliably informed that all
forms of gambling and vice
flourish in Louisville, so that
the Sheriff had to go out and
make raids to enforce the law,"
Senator Barkley asserted.

At the opening of the speak-
ing, the invocation was said by
the Rev. E. B. Motley, pastor of
the Murray Christian Church.
Mr. Motley was for several years
pastor of the church at Mad-
isonville of which Judge Laffoon
is an official.

Brother to Mrs. Elizabeth
Taylor Dies in Kansas

A message received at an early
hour Monday, acquainting Mrs.
Elizabeth Griffin Taylor with the
serious sickness of her brother,
Dr. E. M. Griffin of Girard, Kan-
sas, and calling her to his bed-
side, was followed almost im-
mediately by a telegram an-
nouncing his death.

A STATEMENT TO TOBACCO GROWERS

Will you dump this fine crop of tobacco on the market as you did last year or will you organize to handle it under the direction of the Federal Farm Board by signing a contract written by this board and sanctioned by your tobacco grower representatives?

It is the first time in the history of tobacco production that the farmers have had an opportunity to organize under a contract sponsored by the Federal Government. This contract would not have been possible prior to the enactment of the Marketing Act of 1929 congress. That act made possible the Federal Farm Board. Five hundred millions of dollars have been placed in the hands of this board as a revolving fund to help the farmers of every class throughout the United States. There is no other source of money for the tobacco grower than that supplied by the Farm Board, and not one dollar of this can be had unless the farmers organize. You are absolutely at the mercy of the buying interests who have nothing to do but name the price on that portion of your tobacco that they desire, however low that

Since Murray State College was established the students have found it most satisfactory to call—

price may be, and leave the remainder of this large crop of tobacco on your hands without an offer.

Will you organize? The National congress has given you the power. The Federal Farm Board has prepared for you a contract. The agricultural department of the state and that of the nation have sent able men among you to explain this contract.

Many of the outstanding tobacco buyers readily admit that the farmers need to do something to protect their own interest.

Business and professional men endorse the organization of farmers at a relief measure for the present depression.

Strange as it may seem there is no one quite so much in the way of the progress of this tobacco organization to day as a great number of farmers themselves. Some farmers stayed out of the previous organizations because they felt that they had an advantage in so doing. Some of these farmers still refuse to sign this contract seemingly for the same reason. But, fortunately for the organization this contract was written and sponsored by the Federal Farm Board so drawn as to give the real advantage to the member grower and not to the non-member grower.

No member grower need have any tobacco left on his hands when the season is over. Absolutely this cannot be said of the non-member grower. When both have failed to sell at their farm door or on the loose leaf floor for satisfactory prices then it is that the association member can take refuge under his contract with the association by taking a reasonable advance on his tobacco and leaving it in the seasonal pool to be sold by marketing experts who know world tobacco conditions and where to sell the various types of tobacco.

The non-member grower has no such opportunity. When he fails to sell his tobacco at his farm door or on the loose leaf floor for a satisfactory price he has absolutely nothing else that he can do. Consequently he is forced to take just what ever he is offered or have his tobacco left on his hands.

Farmers, let me say to you emphatically that to lose this association at this time is almost a tragedy. You are advised by the outstanding experts for the tobacco grower state and national

that without an organization this time the farmers condition is a hopeless one. It is believed that a great per cent of this tobacco will be left on the farmers hands

this time without even a bid on it if the farmers fail to organize. It is utterly impossible for your committee to reach every grower, so, if the required per centage to operate this time is had the farmers themselves must be largely instrumental in getting the sign-up. If the Association fails to get enough per centage to function the farmer is responsible for the failure.

Let us act and act quickly.
W. H. Finney, Chairman
Org. Comm. Western Field District.

Heath News

Since last year's wheat crop did so well, nearly everyone in this community are sowing it in hopes of another good crop.

Mrs. Minnie Reed is very low at this writing. She is still at the home of Mr. and Mrs. Noah Henson's near Benton.

Mr. Hedley Swift and family are moving back home from Detroit where they have been for the past few years.

Mrs. Lake Rose remains very ill.

Mr. Bert Russell is on the sick list again. We all hope to see him up and able to be out real soon.

Mr. and Mrs. Hardin Byers and family spent the week-end with their son, Rexie Byers, and family.

Mrs. A. Carson died at her daughters, Mrs. G. Perry at Kirksey, Monday. She was laid to rest in the Mt. Carmel graveyard Tuesday evening. She leaves to mourn her death two daughters and two sons and a host of friends.

Most every one in this community attended the Kirksey School Fair. Large crowd was reported and a nice time had by all.

Mr. Carlos Alexander and wife spent Sunday with Mr. and Mrs. C. A. Newsome.

BIG SUCCESS WON BY HAZEL FAIR

Declared One of Best Exhibitions Ever Held in Callaway County.

Seven graded schools of Callaway county were represented at the fourth annual school and community fair sponsored by the Hazel High School, Hazel, Ky., Friday and Saturday, October 16-17. The fair was one of the best of its kind ever held in the county.

The schools which participated in the fair were Shiloh, Green Plain, Kelly, Smotherman, White Oak, Locust Grove, and Hazel grades and high school.

Visitors at the fair were addressed by Dr. Wells and Dr. Will Mason of Murray, Friday. The program for Friday began at nine o'clock with the judging of exhibits. Next followed the parade of schools in which Locust Grove took first place for the best banner. Other features of the day were the baby show, a program by the Hazel High School band, address by Dr. Wells, selections by the Wells quartet, musical numbers by the Rev. Jno. O. and Wendell Ensor, Murray, address, Dr. Will Mason, Murray, humorous program and accordion selections, E. J. Beale, Murray. A dinner was served the Murray drum and bugle corps, which paraded and entertained, Friday night.

The blue and red ribbon awards for the school exhibits from various districts followed. Hazel grades, 15 blue, 3 red ribbons; Shiloh, three blue and four red; Green Plain, one blue, three reds; Kelly, nine blues, two reds; Smotherman, one blue, six reds; White Oak, three blues, five reds; Locust Grove, three blues and one red. As there were no other high schools competing for awards, prizes were given students competing against each other in the Hazel High School.

Shiloh, Kelly and White Oak schools presented 100 per cent records of student attendance. The award for the healthiest baby at the baby show was given the baby boy of Mr. and Mrs. Owen Brandon, Hazel. The 2nd of second prizes was given the baby girl of Mr. and Mrs. John Hughes, Hazel.

Judges of the various exhibits were Miss Lida Muse and Miss Marie Mortenson, instructors in Murray State College, home economics; Mrs. A. B. Austin, Murray, high school exhibits; Mrs. O. J. Jennings, Murray, grade school displays; Mrs. E. D. Farmer, Murray, arts and antiques; Mrs. Leland Owen, floral exhibits; and C. O. Diekey, handcrafts, farm engineering, live stock and all agricultural products except tobacco which was judged by the Murray Tobacco Board of Trade.

One of the most interesting of the various displays was a quilt made and quilted by Mrs. B. Davis of the Shiloh district. It won first prize in its class. The quilt has won numerous prizes including one at the World Fair in 1902.

Tom Turner Answers Editorial from Cadiz Record Reprinted in Ledger & Times

"My attention has been called to an article of your last issue copied from the Cadiz Record. To be brief, the article refers to the report of the Efficiency Commission which was in existence ten years ago, according to this article, but to advise the writers it was at work in and made its report January 1, 1924.

"The Efficiency Commission, which had the aid of experts who had re-organized at that time seven states, and had the constitutions of every state in the union in their study, and although I was one of the four members of that commission, and for the protection of that honorable body, I confess that I was the weakest member by many odds, still I could see as the other members and with some eighteen members of the experts of the organization that was employed to go into every detail of the state's government with its every institution, and every branch of government that, before any real reform could take place in re-organization of Kentucky's government, at least eight amendments would have to be passed to the constitution and you know that only two amendments can be offered every two years, so that the following legislature offered an amendment to allow more than two amendments to be voted on at one time, but was defeated because probably that another amendment was offered at the same time asking for a raise in salary for certain state officials.

"It is so easy to say 'no' when one does not understand the proposition and if an educational campaign is started some one hollers axe to grind and instead of sharpening the people's axe they are gapping it.

"It takes eight years to pass and put in operation a new constitution but six of those are up now and if the vote was sufficient which require a two-thirds vote to pass, would go to the next legislature to be acted upon then appointment of delegates and then they would meet and then their findings would go back to the people for ratification then the 1924 Legislature would rectify the laws to conform to the new constitution. One candidate for governor has promised to wipe out the state debt but his to admit that the constitution stands in the way.

"The fact that so many positions and jobs are useless but are constitutionally created and can not be abolished, and to do the work demanded by the people of the state today commissions and new legislative jobs are created each legislature to do the work that can not be forced on certain other offices that can not be abolished on account of the present constitution fixing their duties, which duties are practically useless at this time.

"No business of any size is operated today as it was 39 years ago when the present constitution was adopted. Sixty per cent of the laws now on the statute books would be repealed with a new constitution because they are worthless except to get around the present constitution which when framed was carried to the extent of legislating its usages of that day and does not permit proper legislation of present day needs.

"At least I hope the younger voters of the state and those who have opportunity to study in the schools of state and county government and should post themselves, and when they do we will have a new constitution. A new constitution would probably cost a quarter of a million dollars but save at the rate of two million a year to the state of Kentucky in my opinion.

Only opportunity is not so great under these conditions, so don't try to pass the buck.

T. O. TURNER

BUTLER HIGH WINS FROM TIGERS, 20-0

Princeton Eleven Out-Fights Murray Team. Dinguid and Bailey Starred for Locals.

On last Friday afternoon the Butler High School eleven of Princeton, defeated the Murray High School Tigers by a count of 20-0. The visiting team showed a superior brand of fight that made for them an easy victory. The teams were evenly matched in weight. James Dinguid, who filled the job of backing up the line, turned in a creditable game, although it was his first attempt at this position. Bailey, at center, also stood out for the Murray eleven by making nice tackles.

The Butler team displayed an aerial attack that proved successful throughout the game, making their first marker by that route. Later in the game they executed a pass that absolutely sucked in the entire right side of the Murray defense that counted for another tally.

Too late in the game the Tigers put on full speed and for about the last three minutes showed a scrapping ability that made the spectators roar their approval.

V. Wells, as if coming out from the effects of some mild stupor, put his brawn behind the team and tackled and "toted" the hog-skin as he should have.

The Gold and Black warriors will meet the Fulton Eleven on the Murray High School Athletic field Friday afternoon at 3:00 o'clock. Coach "Ty" Holland, even though late in the season and after three defeats, is bringing his team around in good condition to place the rest of the games in the win column. Daily scrimmages are bringing the boys out of the "kinks" and a decided victory is expected Friday afternoon.

Elliott county farmers recently purchased purebred bulls and large number of purebred sows. Ninety-seven per cent of the bulls in the county are purebred.

Training School Colts Down Mayfield Frosh

The Training School eleven won their opening tilt with the Mayfield Frosh Tuesday afternoon, October 27, by a score of 29-0. Holloway, Training School halfback, scored on line plunges in the first and last periods.

Clark raced fifteen yards to carry the ball over in the last frame. Crawford, a coming star, added two points after touchdowns by place kicks.

For the first time in three years the Colts are having a football eleven. The team under the supervision of Coach Stewart, is young and most of them have never played before. The young team is showing good fight and fans predict that they will turn in most of their games on the win column.

A return game is to be played here with Mayfield on November 10. Negotiations are being made to get games with Tiptonville High School and with Murray High School for games.

The Colts practice every day from 11 until 12 in the morning.

The following men report daily for practice:

Rogers, Hughes, Sykes, Houston, Jackson, Wall, Holloway, Wilson, Luther, McKeel, Huey, Bobbess, Petterson, Nanny, Clark, Alderdice, Ward, McCuiston, Richardson and Carlton.

Training School Colts To Have Fast Five

The prospects for a successful game season for the Training School is bright. There will be probably five or six first string men, who are now in the beginning of practice. Regular practice will begin about the middle of November under the watchful eye of Coach John Miller.

Although no schedule has been arranged games will be played with Hazel, Lynn Grove, Kirksey, Dexter, Almo and other teams mostly in Calloway county. Arrangements for the county tournament which is to be held in Murray, will be made soon.

WESTERN ELEVEN NOSES OUT M. S.

Hilltoppers Nose Out Murray State Thoroughbreds Late in Last Frame.

On last Saturday afternoon Murray State Thoroughbreds met the Hilltoppers of Western State Teachers in a football clash for the first time in the history of the institutions. After playing on even terms for the first three periods, the Bowling Green lads tagged a 6-0 game to a 7-0 victory. Fired was the outstanding back for the Hilltoppers. Perdue, Z. Wells, Shaw, and Wickliffe were the showmen for Murray.

Perdue, former Murray High School star, has been coming for the last three years and now he is here. He is the greatest little man ever to crawl in the Gold and Blue uniform. He plays a great game at guard.

Z. Wells, from the "show-me-state" played a nice game at tackle. Wickliffe, at end, played one of the best games in his career and was down on punts in record time, making down-in-the-track tackles time and time again. Shaw, at half, made numerous gains and tackled like he meant it.

The Thoroughbreds have a light team for a college, but never in history of Murray State College has a team showed more fight, vim and vigor than the present eleven under Captain Perdue.

On Saturday afternoon, October 21, "The Home-Coming Game" will be played with Middle Tennessee Teachers, Murfreesboro, Tenn. For the last three years these two teams have tried to decide "Who's Who" and record shows that the Murray eleven has won three and tied one, while the "Middlers" have taken two and tied one. The visitors have always shown a good brand of football and especially have always had unusual strength at the end positions. Scoring in these games have been low, only once has the tally run to three touchdowns.

At "Home-Coming Day" we are expecting to see many former stars and students of Murray State. The autumn air will be filled with colorful hues and the spirit of clean, fight to the finish attitude will play an important part in making this day the first real "get-together" day in the history of the school.

The "Best Band in The S. L. A. A." will make the homecoming day a further success by making its first varsity appearance in the new dress uniforms on the home field.

The game will be called at 2:30 P. M.

Lady Thoroughbred Cage Season Bright

The prospects for a winning Lady Thoroughbred quintet for '31 and '32 are excellent as stated by Miss Allison, coed coach at M. S. C.

Last year's team was very successful, but the prospects for this year's cage tilts are even greater. With the return of most of last season's squad members and the addition of two new candidates. The new members are Miss Cleo Long, Caruthersville, Mo., and Miss Zelleta Spencer, Portageville, Mo.

Miss Long was all star in home county for three years. All Southeast Mo.; All American National tournament second all star, Southern tournament second all star Mo. Miss Long attended Crescent Junior College, Eureka Springs, Ark.

Miss Spencer was captain of Portageville High School quintet for four years. She was also captain of New Madrid's All-Star team. She has played in six tournaments and has made all star in all six. Miss Spencer was all star in county tournaments four years and two years all star jumping center. She was all star forward in Portageville Invitational tournament two years.

Miss Virgie Tyree, forward on Murray State team in '29 is here this term. Daisy Wallace, a star of last year, is also back again. Approximately 550,000 pounds of Korean lespedeza seed were produced in Christian county this year.

Attention Coaches!

Sports Editor, Ralph Wear

In keeping up with the progress of the newspaper, it has been necessary to devote an entire page to sports. To make this page take the place that it should it will be necessary to have the cooperation of coaches, players, schools, and interested fans. As far as we know, this is the only weekly newspaper in the state to attempt to put to press each week an entire page for the sport-loving fans of this section.

Entire schedules of each sport will be printed; standings of each team in the county can be had with the cooperation of the above mentioned.

Every thing has its place and we are going to try to keep every sport item on this page. We believe in the promotion of clean sports. It is a valuable asset to every community.

town, city, and state if conducted in the way they should.

Stationary will be sent to each school in the county, rural, junior, or high school will have equal right to send in their schedules and out-come of each game.

It will be necessary for these items to be in the Ledger & Times office by Tuesday night of each week.

Address all correspondence to Sports Editor, Ledger & Times, Murray, Ky.

Kirksey Eagles Top Lynn Grove 33-22

The Kirksey High School Eagles, snarling under a 23-12 defeat, handed them by the Lynn Grove Wildcat quintet at the curtain raiser for both teams; flew over to the Lynn Grove gym and proceeded at once to get altitude and range of the

hoop and piled in the points to come out of the fray with a 33-22 victory, Friday night, October 23, following the School Fair.

Perhaps the "Cats" were a bit too confident of the outcome and also under estimated the fight and heads-up ball of the Kirksey five. The "flying patrol" soon pushed the "snarling pack" to play a careful defensive game while they added point after point.

The Lynn Grove "D" team was also defeated by the Kirksey reserves by a score of 16-15.

Coach S. E. Wrather promises to turn out an exceptional team with the material he has.

The Eagles have a game scheduled Friday night, October 30, with Birmingham, the champions of Marshall county. This game promises to be a good one as the boys expect some real competition.

The "Wildcats" will journey over to Hazel Friday night and

meet the flashy five of that school. A good game is expected from these teams. Hazel has been rapidly improving each year and are due to arrive with a winning quintet.

Hazel Eagles Defeat Puryear Quintet

The Hazel Eagles defeated the Puryear quintet Saturday night, October 24, by a score of 29-18. The Hazel basketball team had a worthy contender in Puryear, but led all the way and was never in danger. Maddox was the outstanding player of the tilt.

The next game on the Hazel schedule is with Lynn Grove "Wildcats" on Friday night, October 30. The game will be played at the annual Halloween party which is being sponsored by the school.

A Challenge To Kentucky Women, Subject Of Alphas

The Alpha Department had a lovely meeting, Saturday afternoon, at the home of Mrs. J. D. Rowlett, with Mrs. Rowlett, Miss Margaret Campbell, Mrs. W. W. McElrath and Miss Emma Helm as joint hosts.

The spacious living room was prettily decorated with autumn leaves as its decoration.

LAFFOON SAYS WANTS COLLEGE HERE TO GROW

Judge Ruby Laffoon, Democratic candidate for governor of Kentucky, announced as "one of Kentucky's greatest citizens" by President Rainey F. Wells, addressed the student body of Murray State College during the chapel meeting, Monday morning, October 26.

Judge Laffoon expressed his ideas and opinions on several of the important questions before the people of the Commonwealth and the entire nation, but based his speech mainly on education and its relationship to government and citizenship.

After opening his address with the statement that Murray was "one of the greatest normal schools in America," Judge Laffoon declared that our nation today is going forward on the feet of the younger generation.

"We must give greater educational advantages and opportunities to boys and girls if such a thing is possible," stated the judge. "I want the opportunities and influences of this school to grow. I want Murray to be equal to any school in the country. I am chosen chief executive of this commonwealth. I will use every effort, influence, and honest appropriation in making this a greater institution than it is."

Judge Laffoon went further and congratulated the student body and administrative forces on the magnificence of the college as it is today.

The judge next expressed his belief that the home was the best place for education. He reasoned that the home was the beginning unit of government.

"Well rounded, improved, and enlightened minds make better homes," he showed. "Therefore education is essential for a successful government."

The candidate for governor then made several statements concerning the crime wave of America. "Pay more attention to high-chairs than electric chairs," was his advice.

Another topic for discussion was salaries of Kentucky teachers. "I want to see teachers better paid," he declared. "If we economize in other departments of our state government we will be able to give boys and girls better educational advantages. I want to see Kentucky removed from illiteracy."

Penal institutions were next discussed. He related that his saddest performances in his career as a judge were to sentence a boy or girl to the penitentiary. It was at this point that the executive candidate announced a plan to reduce the number in our overcrowded institutions.

"I believe all first offenders should be given one more chance," he asserted. "A law giving trial courts the discretion of suspending imprisonment sentences of all first offenders. They should be relieved of penalty as long as they walk 'straight and narrow' and fail to commit any other violations of the law. Such a law would be right. It would be humanitarian. It would certainly relieve the congested situation of our penitentiaries."

In his closing remarks Laffoon expressed his opinion that patriotism was waning in our country. "People have forgotten what the flag stands for," he commented. "We don't pay enough attention to government, don't study government enough, and many do not love it as they should."

Laffoon asked that every one cast his or her vote at every election for it was their sacred right as guaranteed them by the Constitution.

Dr. Rainey T. Wells afterwards showed Judge Laffoon the size of every class in college and had the band play several selections in his honor.

Governor Sampson Advocates Control by Government of Radios and Moving Pictures

Mrs. W. H. Mason Presents Leader in Chapel.

LAUDS MURRAY AND FACULTY

Governor Flen D. Sampson of Kentucky, in a chapel address at Murray State College Thursday morning, October 22, advocated federal and state control of radios and moving pictures. After being introduced by Dean John W. Carr of the college, Mrs. W. H. Mason, member of the board of regents, introduced the Governor.

Paying tribute to the college for its record enrollment, its faculty, its leaders, and its splendid buildings, the Kentucky executive praised the life and works of Nathan B. Stubblefield. "It is a privilege to be on a campus where a man so great once had his habitation," he said.

The auditorium of Murray, he described as the "most splendid auditorium in all the commonwealth." "I congratulate you upon the management of the college, the board of education, faculty, President Wells, wonderful dean. You have so many things of which to be proud."

The Governor characterized Nathan Stubblefield as "One of the most distinguished, most deserving Americans. A leader in thought."

Declaring that the radio and the moving pictures are the two most important agencies at our command, Mr. Sampson said: "I would not have them removed at any price, but I would have the government of the United States or governments of the several states take charge of them and use them for good."

The speaker predicted that in a few years visual education would be a prime educational tool. He pointed out that he had recently sent a boy and a girl to attend a visual educational demonstration.

Cause of Crime
The cause of the crime wave in the United States is the fact that children have been going to picture shows "that don't teach the right kind of lessons." The crowded conditions of the penal

institutions in Kentucky are direct results of harmful moving pictures, according to the speaker.

Thirty-four out of every 100 inmates of the Eddyville penitentiary were unable to read or write when they were incarcerated, Governor Sampson informed his audience. Most of these persons were found to be between 17 and 23 years of age, he said. Kentucky is now attempting to introduce educational facilities in these institutions, he added.

Mr. Sampson pointed out that there was a danger in the influence of the radio and the moving picture, the cause of the crime wave.

Many pictures teach, he explained, that it is funny for a criminal to outwit officers. The Governor, however, would not make the fun out of pictures. He urged, on the other hand, that they be educative, inspirational, and Christian in influence.

In conclusion the executive asked that congressmen and legislators take the control of the radio and movies from the present owners and place it under the control of educators and the churches.

Thanking the Governor for the honor of his visit, Dr. Carr presented in turn the groups of students and informed him of the per cent of increase over the enrollment of the preceding year. The faculty was also presented to the state visitor.

Others present on the stage included: Dr. and Mrs. W. H. Mason, Mr. Weaver of Mayfield, F. D. Vanover of the Herald-Post of Louisville, the Rev. J. O. Ennor, Mayor Ed Filbeck, T. H. Stokes, and the Reverend Kendall.

Almo Homemakers

Thursday, October 22, was an ideal day for meeting of the Almo Homemakers, when they held an all day session in the home of Mrs. Wm. Reever, Dexter member.

The day was bright and warm, insuring the greatest repasts they have ever spread, to be set out on a screened porch, assuring lots of room. The unique feature of the meal was "Giving

the recipe of My Favorite Dish" as roll was called to start the meeting. These dishes of delicious foods brought were of every description, gracing two long tables, served with both kinds milk and coffee. Mrs. J. R. Phillips gave "Thanks", then the wish of the morning was gratified when all could partake to hearts content.

The afternoon session was opened by President Mrs. Taylor. Reading of minutes, read and approved. Discussion then of next meeting place was decided upon. The next meeting will be held with Mrs. Libburn Raybourn, Almo. The date will be Friday, November 20, third Friday being changed from regular day which comes on Thanksgiving. Regular business was discussed. Two quilts will be quilted November 12 at the home of Mrs. Reeves for the purpose of helping an appreciative Home-maker's family who have much misfortune and sorrow.

The regular lesson was instructively and attractively given by our new leader, Mrs. Jones Moore of Dexter on "Home Arrangement" and chair-covering was demonstrated to the club and visitors by Miss Sadie Williams, our beloved demonstration agent. The social program was conducted by our new program conductor, Mrs. Raybourn, assisted by Mrs. Roberts. This hour was enjoyed by all and consisted of contests. After the social hour our gracious host, assisted by her daughter, Mrs. Merle Andrus, Miss Ruby Andrus, Mrs. Arealla Andrus served cream and cake to the 20 members and 8 visitors.

Those present were: Miss Sadie Williams, Mesdames Merle Andrus, Lee Barnett, Leon Beale, Burie Cooper, Ethel Curd, Buel Edmons, Jeff Edwards, Keys Futrell, Lock Hargrove, Bud Joslin, Geo. Louis, Jones Moore, J. R. Phillips, Wm. Reeves, Carlos Roberts, Adolbert Reeves, L. Raybourn, Lee Reeves, Tag Taylor, Lundy Tubbs, Visitors were: Mrs. Hayden Walston, Mrs. Louis Ernestberger, Mrs. Arella Andrus, Mrs. Richard Walston, Mrs. Gene Woodall, Misses Marele Jones and Ruby Andrus. Mrs. L. A. Story, of the school, was the guest of honor at dinner, returning to her duties.

All left late in the afternoon expressing a great day and one long to be remembered. Four visitors were enrolled as new members for the next meeting: Mrs. Ethel Curd, secretary.

Proper fertilizing of tobacco increased as much as 100 per cent in Monroe county.

OXFORD PROPOSES DEBATE QUESTIONS FOR MURRAY TILT

No Date Has Been Named for Clash on the Local Floor

TEAM HANDICAPPED BY LOSS OF MEN

Oxford University, England, will send its two-men debating team to Murray State Teachers College this fall to discuss one of the following five questions:

1. That the Statue of Liberty is not a signpost but a grave-stone. (Oxford team takes the affirmative).

2. That immediate independence should be granted to India. (Oxford team takes the negative).

3. That the press is Democracy's greatest danger. (Oxford team takes the affirmative).

4. That the nations of the world should take a 20-year tariff holiday. (Oxford team splits on this motion).

5. That American civilization is a greater danger to the world than that of Russia. (Oxford team takes affirmative).

In replying to the Oxford management, The National Student Federation of New York, Prof. L. J. Horton, Murray debate coach, indicated he would prefer to debate on either of questions 3 or 5.

No date has been announced as the time for the debate. Last year the Murray debaters, Clay Copeland and F. C. Pogue, clashed with Cambridge, England, on November 23, before an audience of more than 2000.

The Murray team this year will be handicapped by the loss of several varsity debaters: F. C. Pogue, E. G. Rounton, Wayland Eugene Mitchell, Reanos Newton, and Frances Westerman. The varsity debaters who are returning include: Clay Copeland, Dorothy Wyman, Harold Moody, and Barbara Penno.

Oxford Scholars
The two men who will represent Oxford are John Archibald Boyd-Carpenter and John Foot.

John Archibald Boyd-Carpenter, Balliol College, Oxford University, is the son of Major Sir Archibald Boyd-Carpenter, a former financial secretary to the Treasury and Paymaster General in the British Government, a member of the Conservative party and leader of

the Die-Hard Group. He was one of the 12 members of Parliament to oppose the grant of the suffrage to women under 30 years of age.

Mr. Boyd-Carpenter himself is 22 years old; he was educated at Stowe School and Balliol College, Oxford University; in 1930 he took his Honours Degree in history at Oxford.

He was librarian of the Oxford Union Society in the Michaelmas term of 1929. During the Michaelmas term of 1930 he was president of this society. For two years he was the acknowledged leader of conservative opinion in Oxford, and was president of the Oxford University Conservative Association in 1930-31. He was also president of the Raleigh and the Oxford University Imperial Clubs in 1931. He expects to enter political life.

John Foot, Balliol College, Oxford University, is the son of Sir Isaac Foot, a member of the Liberal delegation to the recent Indian Round Table Conference. Mr. Foot, who is now 22 years old, was educated at Bemburgh School and studied law at Balliol College at Oxford. In 1931 he took his Honours Degree in Law.

In the summer of 1930 he was Librarian of the Oxford Union Society. Aside from holding these prominent positions in the debating society, he was elected Secretary and Vice-President of the Oxford University Liberal Club in 1930-31. He intends to enter the legal profession and later to go into politics.

Professor Horton has not announced the date for the layout.

but it will probably be held sometime in October. Last year the Murray orators won eight of their 13 debates, winning from such teams as the University of Kentucky, Warrensburg College of Pennsylvania, McKendree College of Illinois, and Middle Tennessee Teachers of Murfreesboro.

Pre-Medic Club Formed at College

David Reed of Paducah, Junior of Murray State College, was elected president of the recently organized Pre-Medic Club of Murray State College at the regular meeting, October 20.

Other officers elected were: R. B. Chrisman of Henry, Tenn., corresponding secretary; Louetta Gregory of Murray, Ky., recording secretary; Maurlee Christopher of Somerset, Ky., treasurer; Gale Stinson of Benton, Ky., sergeant-at-arms; and Welden Hall of Arglington, Ky., reporter.

A constitution was adopted by the club. The program for the next meeting will be a talk by Dr. Nail, head of the hygiene department, and sponsor of the club.

MILLERMEN DEFEAT AUSTIN - PEAY 60-0

Frosh Use Nicely Executed Aerial Attack to Score at Will; Forward Wall Strong.

The Miller men of Murray State took into camp the Austin-Peay Normal of Clarksville, Tenn., last Friday afternoon on the local field and "showed them the way to go home" by handing them a 60-0 defeat. The "Coming Thoroughbreds" have not been scored on and have won four consecutive games.

Kent opened the way to scoring by crossing the stripes in the first four minutes of the first frame. Murray were able to make 18 first downs to the visitors' one.

Moss opened the second quarter with two nice runs which placed the "skin" on the 8-yard line where King passed to Simmons for the touchdown. King added the point. Simmons again scored from a pass by Morse.

Murray made the extra marker. With Cresney, Lunn, Shelton, Potts, Rutherford, Thurman, Jenkins, Kent, and Cato carrying the sphere and with the entire line working as a machine it was nothing to score at will.

In the last frame, however, the Tennesseans took a new grip on life and held the Frosh from piling up added scores. Fumbles were also frequent in the final period.

Farmers in Long Grove community in Hardin county pooled orders for 1,000 tons of limestone delivered this fall.

It is rumored that a charity game will be played as a post-season game between the Murray Frosh and the Beginners' U. K. If this game materializes we will see who has the best freshman team in the state. Bowling Green thought they had the best except U. K., but their attitude changed. Perhaps U. K. could be changed. We will see!

Mayfield Herald to Become Morning Daily

In a front page announcement, Tuesday morning, the Mayfield Herald, edited by George Bingham and business managed by Scott Lemon, announces that it will become a morning daily, effective on and after Tuesday morning, November 3. The paper will be issued each morning except Saturday and Sunday.

The Mayfield Herald began as a tabloid a year and a half ago, grew to a full size eight-column paper, stepped up to twice-weekly, later went up another notch to three-times-a-week, and now becomes a daily.

Such a record is a fine tribute to the popularity and ability of George Bingham, its editor.

Jeff Doolin, a Butler county farmer, reports a yield of 75 bushels of oats to the acre from 15 acres of lined land on Green river.

Unemployment Cash Offerings at RYAN'S STORE

Trying to do our bit in times of stringency. Can't boast of being a Department or Chain Concern. Just call us a "hole in the wall" and let it go at that. Scrutinize, ponder and compare, then act as your judgment dictates.

The "gang" are hustlers and will step lively to serve with courtesy and promptness. The "Boss" kinder on the shelf and does but little except to fuss now and then.

As you read and reflect kindly keep in mind that this concern is owned, controlled and financed by plain home folks, but no claims whatever made from that viewpoint.

If we fail to meet all requirements as to quality, price and treatment, the fault is considered ours. The rights and privileges of the buying public duly recognized and respected.

Time to get down to "hard pan" with Unemployment quotations.

LINDY IN PERSON

We will not vouch for the authenticity of this story which we heard on the street yesterday morning.

It went to the effect that Governor Sampson was making an inspection of the boys dormitory by himself while here last Friday. Meeting a youth on the stairs he extended his hand and introduced himself as "the Governor of Kentucky".

"Glad to meet you, Mr. Sampson," the boy is said to have declared, "I'm Charles A. Lindbergh".

Actually, it is said, the lad who is a freshman, thought the governor was a humorous-minded visitor indulging in a little spoofing. The freshman is reported to have declared that hereafter he will be sure to whom he is talking before he makes any more wide-cracks though 'tis said Governor took the joke in good spirit.

One of the college girls was stranded between floors on the Wells Hall elevator for more than an hour during the electric storm Tuesday night. Power and lights were short-circuited in college addition and that section was in total darkness most of the evening. There was no way of moving the elevator, which is automatically operated by electricity, and she was compelled to amuse herself in this cheerless situation until the power was resumed.

Some two-bit sports writer on the Bowling Green Daily News, who probably entertains hallucinations, charged in an article in that publication last Friday evening, the day before the Murray State College Band included a large number of hired music assassins from Paris, Tenn.

We apologize for using space to rail this pervert a "cock-eyed liar".

After the courteous and cordial reception given Murray by students, it is really too bad that some poor, little innocent has to engage in bitterness by telling a dam lie in a futile effort to belittle Murray.

Made Bowling Green's 32-instrument organization look like a ten-and-fifteen-cent negro dog and pony show.

DIPHTHERIA CASES INCREASE IN NUMBER

Diphtheria cases are increasing steadily according to Dr. J. A. Outland, county health physician. Last week there were seven cases in the county. This week there are eleven cases in the county and three in the city of Murray.

This does not mean an epidemic of the disease but county health officers are anxious that proper precautions be taken against further spread. Children should be given the anti-toxin as a sure preventative. This will be supplied by the family physician with a small charge. The county health officer will give the treatment free of charge in cases where it is needed.

Older people though more immune should take preventative steps in particular where exposure to it is known. The sick test will indicate whether or not you are immune. All exposed should take this test and use precaution in contact with other people so as not to spread the disease.

Utterback News

The Chickasaw Society of Utterback

school gave a program Friday before last. They entertained the Watauga Society.

The program consisted of songs, recitations, stories and short plays. The best of these was a "Health Play". Its cast contained nine pupils. Each pupil responded with a health rule. They all had something in their hands to represent what they were saying. Each Friday morning there is a program given by one of these societies.

Mr. Onas Evans from Henderson county and Mr. Waldo Liles also from Henderson county, visited our school. Mr. S. L. Evans accompanied them. He teaches at Russell Chapel.

The eighth grade of Utterback has been working hard. We have been learning the "Gettysburg Address" by Abraham Lincoln. The pupil that recited it the best received a pencil box. Ruth Farley got the prize.

The fourth grade has been making Health and Nature booklets. Some of them are real interesting. The one which has the best book will receive a prize. Superintendent M. O. Wraher has had our coal sent out. We are very proud of it. We have had a few fires.

We have bought some library books. We bought them with the money received from a pie supper. Everyone has enjoyed reading them.

The flower committee of our school has been bringing in fall flowers. We have been putting goldenrod in vases without any water. When they dry out they will be pretty for winter bouquets.

The pupils that are on the honor roll are as follows:
Eighth Grade: Ruth Farley, Emma Neil Mahan.

Fourth Grade: Rhoda Sue Mahan, Roy Roien, Mary Hatcher, Louise Thurmond, Verden, Board.

Third Grade: Guthrie Thurmond, H. B. McMillon, Junior Lampkins.

Second Grade: Maxine Lampkins, James Cain.

First Grade: Billie Lawrence, Josephine Williams, Dixie Moody.
